A hospital doctor writes in the Ontario Post that one of his patients had had the flu. He was seen walking around wearily. When he was asked what was wrong, he said:

"Ah done had de Spanish flu." "That so," he was asked, "what is the Spanish flu, Sam?"

"The flu," said Sam, "don't you-all know what de flu is? Why, it's a disease dat makes you feel sick six months after you gets well."

### WAR HISTORY

AND WORLD MAPS

While The Coconino Sun is not much given to "premiums and contest" stunts at any time, the first pictorial re-views, pictures and maps of the great war are of interest to returning soldiers, their relatives and friends, and for that reason we have picked out a reason we have picked out a most interesting compilation of "recent events" which we believe will be of great interest to most people. We only have a limited supply of them, and every new subscriber for a year gets one free. They are worth the more ward more worth the money-and more. See them.
